

Your teaching career starts now

Learn how to get ready for the *Praxis*® tests

Years of schooling gave you the knowledge and skills needed to begin a career in teaching. Demonstrate your ability by taking one of the *Praxis*® tests.

Get started

Determine which *Praxis* tests you'll need to take, and where you can take them. Each state sets its own testing requirements, so be sure to check for each state you plan to become certified in at www.ets.org/praxis/states.

Register

Online registration is simple. Once you create your My *Praxis* Account profile, you can:

- search for a test center by ZIP code or state for the test location nearest you
- check seat availability in real time
- select your four free score recipients prior to test day

Find out more at www.ets.org/praxis/register.

Prepare

Our free and fee-based *Praxis* test prep resources will help you feel confident on test day. Visit www.ets.org/praxis/testprep to find the prep materials you need.

Scores

Sign in to your My *Praxis* Account to access your scores as soon as they're available. Your scores will be available online for one year from the score reporting date, but may be requested for up to 10 years. More information on test scores can be found at www.ets.org/praxis/scores.
